

The 2009 Heritage Lake Board of Directors Election

We believe we possess the professional skills, experience and broad range of talents required to effectively govern our Association and manage our common interests. We would appreciate your support.

Dan Antico, 134 MS

Sharyn and I “came home again to Indiana”, 2½ years ago after being gone for almost 30 years. We have 3 children and 3 grandchildren. I spent most of my career at Nabisco, progressing to general manager of their Canadian business and retiring from Cadbury Schweppes, as the head of Marketing. During my career I’ve been responsible for sizeable businesses and budgets exceeding \$135 million. I’ve also led numerous cross functional teams that were charged with tackling the various complex business issues we faced. I believe I can bring this experience, of working with diverse groups of individuals, to the Board and accomplish what we need to ensure that Heritage Lake continues to be the greatest place to live.

James (Travis) Cox, 651 JV

Amanda and I moved to Heritage Lake two and a half years ago to get away from busy city life. We currently spend most of our time chasing our 15 month old son, and our two labs, all over the house. After graduating from Purdue with a degree in Sales Management in 2003, I started my own practice with Northwestern Mutual. As a Field Director, it is my passion to lead others, while helping my clients achieve their own goals. As a young professional who currently serves on other not-for-profit boards, I am motivated to be on this Board to continue moving Heritage Lake in a positive, family-oriented direction for the future.

When elected, you can expect us to support actions by the Board that:

- 1) Create a stronger relationship with township and county governmental agencies to improve our roads and neighborhood security;**
- 2) Strengthen our governing documents to prepare us for the future so that Heritage Lake continues to be a great community;**
- 3) Develop a vision for the community and enhance communication;**
- 4) Protect the lake, fishery and amenities.**

***YOU CAN COUNT ON US TO ATTEND THE VARIOUS MEETINGS
ASSOCIATED WITH THE HERITAGE LAKE POA BOARD OF DIRECTORS!***

YOUR VOTE IS IMPORTANT! PLEASE VOTE WHEN YOU RECEIVE YOUR BALLOT!
